PROGRAMA Í JAPANESE LITERATURE PUBLISHING PROJECTÍ

A través de la organización Japanese Literature Publication Project se ofrecen títulos de la literatura japonesa a centros de información con el fin de difundir la cultura japonesa y su literatura en el mundo.

BIBLIOGRAFIA EN LA MEDIATECA CASA ASIA

La Mediateca de Casa Asia, a través de este programa, recibió desde el año 2006 al 2009 numerosos libros sobre literatura japonesa. De esta manera, se pudo aumentar la oferta en este campo del conocimiento, contando con ediciones tanto de textos como *Rashomon and seventeen other stories* o libros de autores actuales como puede ser *Tokio Tango* de Rika Yokomori. Siempre textos no más antiguos de 150 años. De esta forma, la Mediateca también tiene el gusto de apoyar los objetivos de la JLPP al poder dar a conocer la literatura japonesa en nuestro país.
